APPEAL TO CITY TO HELP Y.W.C.A.

APPEAL TO CITY TO HELP Y.W.C.A.

Appealing to the city to make proper provision for her young women, as she has for her young men, the Patriotic League will inaugurate, this week, its campaign to put the district over with a \$5,000 subscription to be used for the benefit of girls of the Y. W. C. A.

The purpose of the drive was clearly defined yesterday by Miss Elizabeth Adams, secretary of the league who said:

"That the Y. W. C. A. may carry on its peace work, which has increased ten fold since war was declared in 1917, the blue triangle campaign is on.

Because these funds are controlled by a government committee and can be used for nothing but war work and as so defined by this committee. What does the Y. W. C. A. do for girls and women in time of peace? It is a supplementary educational institution. It is a home of friendliness. It aims to meet the needs of the city girl, the country girl, the individual, the immigrant. It is an organization of women, by women, for women.

"Reasons for the 1919 campaign. The

FINE BRED BOAR FINDS NEW HOME IN WEST FLORIDA

The Grand Champion Berkshire Boar, Baron Prince C. 2nd 2567.26, purchased by C. J. Satterlin, of Chipley, Fla.

There should be great pleasure to West Florida hog raisers to know that Mr. C. J. Satterlin has secured this young boar to make his home here in West Florida. Baron Prince C. 2nd 2567.26 was Junior Grand Champion, as well as Grand Champion over all breeds at Roanoke Va., this year. Winning also as head of first prize herd. First get of Sire. First get of Dame. Prizes as hardly no 6 months old boar have won. He is also full brother to Bondman Prince, Grand Champion at Tennessee State Fair and Premier Derict Grand Champion of Southeastern Fair at Atlanta. Mr. Satterlin report also purchasing a great sow from the Parkmaker Herd, Barrington Ill. Bred to Enochal Parkmaker. He also reports two great litters, one of 12, one of 10 pigs, both from litters bred to Enochal Floridian. West Florida farmers can secure some good foundation stock right at home from him.

work of the Y. W. C. A. because of the war, has increased during the past two years, more than ten times, locally, in the field, and nationally, and in order to carry on the work begun, it is necessary to have new money for peace work—not war work. When the national board went over its accounts, it found that about \$750,000 was necessary, and it was proposed that there should be added to the fund the sum of \$250,000 as an opportunity fund. So it became necessary to go out for \$100,000. The quota necessary from the state of Florida is \$7,117.68. Pensacola has been asked to contribute \$600.

CLEMENCEAU COMPELS EQUIPPING PRISONERS

(N. E. A. Special.)

Paris, Feb. 11.—Clemenceau is prompt to act when he approves a suggestion. The French socialist paper La Victoire pleaded for relief for the French prisoners, arriving in thousands with clothes in tatters and boots worn out and who were fed and cared for by nobody. Next morning, the premier had given orders that every returned prisoner be issued new boots and uniforms by 4 that afternoon and, on the hour, was on hand to see that his order was obeyed.

A Grove of Pecan Trees Will Increase in Value Every Year.

A steadily increasing income from a Pecan orchard is almost a sure thing until the trees reach maturity; then returns are sure for years to come.

BEGIN WITH PECANS NOW

Plant a grove or few trees this year; you can crop the land for six or seven years until the trees begin to bear, which will make the grove pay expenses. We are Pecan specialists, propagating thousands of trees yearly, and we know the best varieties for crops and profits. We will give you the best varieties, and to advise you how to plant and care for the trees. Write us about your plans or send for

"Southern Planting Facts."

Which will give you a large amount of information about Pecans, fruit and shade trees, shrubs, and roses for southern orchards and home grounds. Send today for a copy.
